DISCIPLESHIP PATHWAY

Chaᅅkú Wašté Ranch • Porcupine, SD

CULTIVATING *the* CALLED

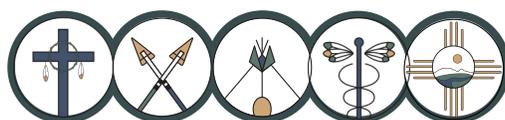

through a platform of missional EXPERIENCE, EQUIPPING, & EMPOWERING by way of immersive opportunities, practical coaching, and spiritual development.

We are on mission to give EVERYONE in our community access to a RESTORED LIFE—

Discipleship is a foundational aspect of the mission of Chaᅅkú Wašté Ranch and a calling we as believers all share - both to disciple and be discipled. The roots of our Discipleship Pathway were planted over a decade ago and have invested in the lives of 20+ participants along the way. Some of those individuals returned multiple times, several found their path to full time ministry - around the world and right here alongside of us.

Wherever the Lord has CALLED our alumni, we at Chaᅅkú Wašté Ranch consider it a great honor to have shared in a part of their journey.

This pathway provides a platform for going deeper with Jesus, developing leadership and teamwork skills, implementing the Living Word in real time, and ultimately growing in serving the Lord and His people.

EXPERIENCE:

Comprehensive, hands on involvement and investment within a lane of non-profit ministry as well as a local church body, including opportunities to both lead and be led.
